- About CDPC and IIT Ropar
- Industrial Partners (Prev Recruiters)

Placement Statistics:

Contains tabulated placement data distributed over branches and previous years. Can contain a graphical representation as well.

Student Demographics:

Contains information about the number of students in each branch for both UG and PG Students. Can contain graphical demonstrations.

Recruiter's Guide:

Contains a step-by-step guide for recruiters on how to hire from IIT Ropar.

Past Recruiters:

Contains a list or a representation of our past recruiters using their Logos, etc.

Student Programs:

Contains info on 2 student programs offered by our IIT. 6-month intern for UG and a Joint master's thesis for PG. Giving reasons on why to hire through these programs.

About CDPC:

Info about our placement cell

Corporate Connect:

An article on our annual flagship event. Must contain photograph, articles and information of the industrial guests who visited for Corporate connect.

Library Resources:

Contains a list (and preferably cover images) of books to help students improve their performance in placements, and for the student team to improve their management and professional communication.

Video Resources:

Contains links to videos and lectures to help students improve their performance in placements, and for the student team to improve their management and professional communication.

Faculty Team:

Contains the names of the CDPC Chairperson, Dean CEOA and Department faculty representatives (DFRs) and their contacts- emails, linkedIn profiles, phone numbers.

Student Team:

Contains the student team structure and the names and contacts of each student team member.

Resources:

Links to download the mentioned documents

Recruiter's Portal:

It must contain where recruiters can input their company and contact information, and optional INF or JNF forms. The form data is to be emailed to system.cdrc@iitrpr.ac.in.

Contact US:

Contains the contacts of Dean CEOA, Chairperson, and Student Team Lead along with the address of our campus and any other way they can contact us.
